

Welcome to the IBC shuttle service, a special bus service that takes you from your hotel to Amsterdam RAI and back. Getting access to the shuttle is simple: Just show your IBC badge (or any document with the IBC logo on it if you are not registered yet) and hop on. You do not even have to buy a ticket or show a voucher! Just remember these rules:

- You get access with your badge only (or any IBC document if not registered)
- You get access to the IBC-shuttle buses that are recognisable by the IBC logo only.
- Your IBC badge itself is not valid on the lines of the Amsterdam Transport Company (GVB). If you do want to use the public transport you have to be in the possession of the special GVB/IBC Amsterdam Travel Card, which can be obtained from any IBC info point.

We hope you enjoy your stay in Amsterdam!

The IBC shuttle service is a service of RAI Special Events and Oostenrijk Touringcars
